Griffin Stars Dec Them Shine

The NDH Medias Res Staff , fountain, the lockers, and even the stars of all the outdoors. The following pages are dedicated to just that - letting our stars shine. We hope you enjoy our presentation of the Theater of the Griffins.

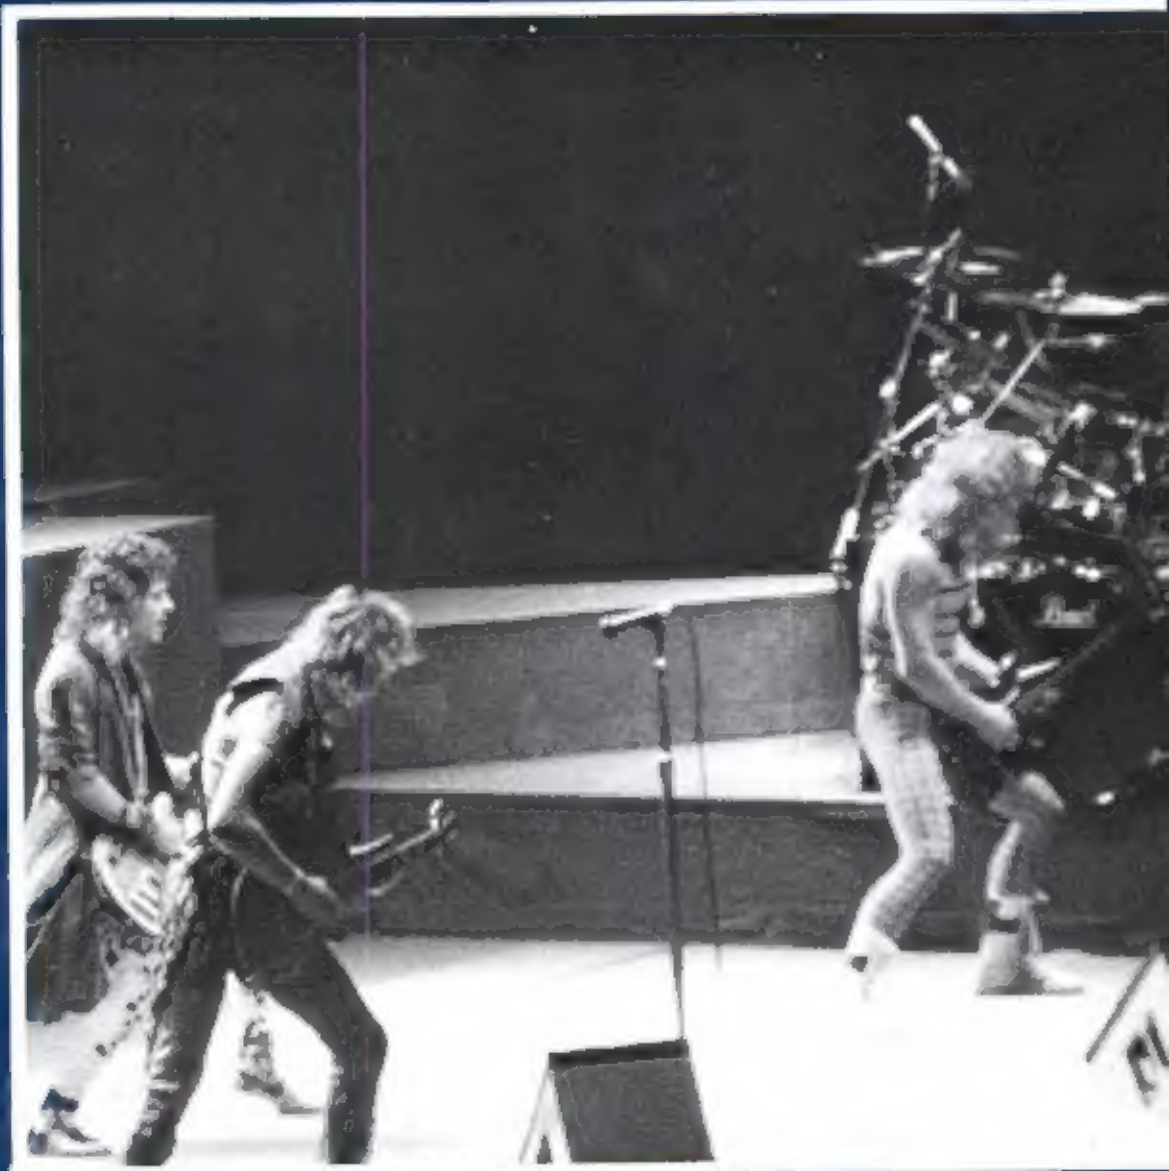

Griffins on the go

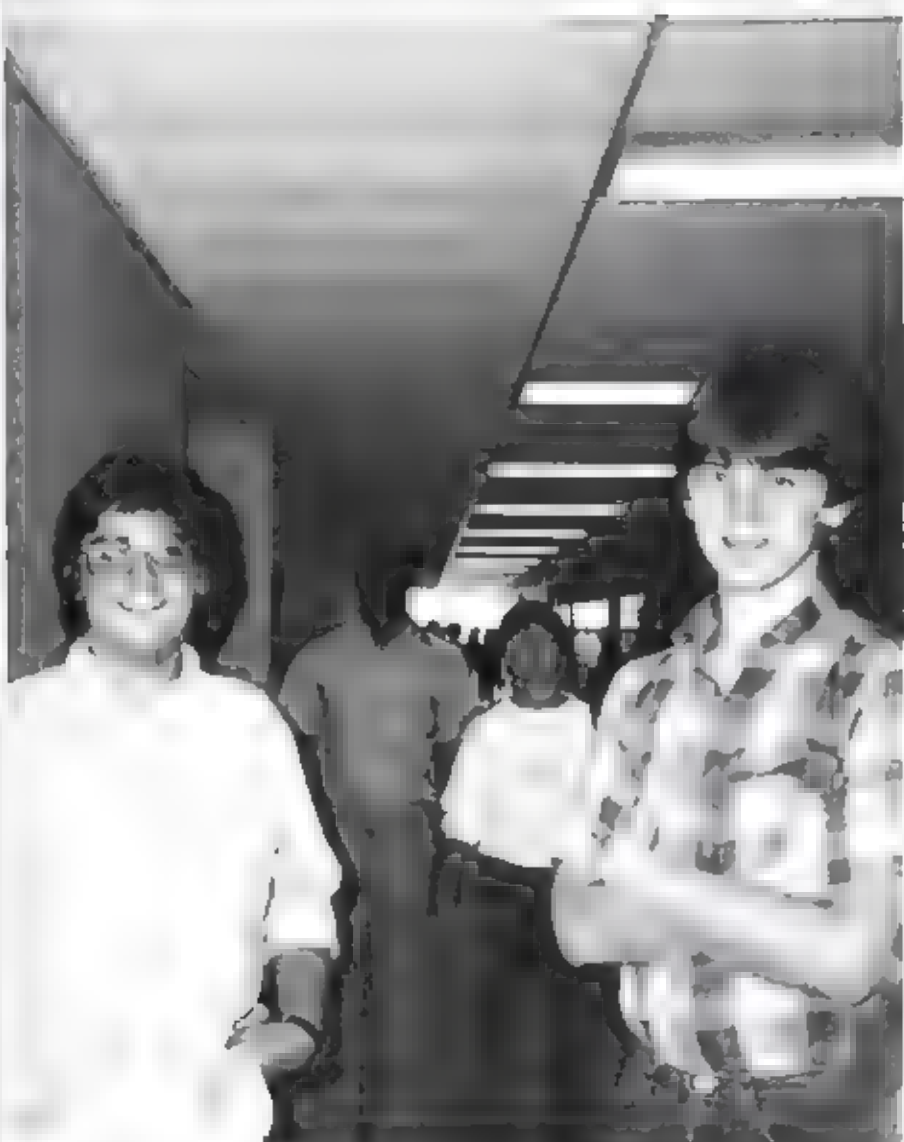

to concerts, such as Night Ranger and Tina Turner,
back in time, like Carey and Chad during Spirit Week,
to bonfires to show our Griffin Spirit,
to games to support our Griffins,
at our homes like Karen,
and in our schools as Mrs. Holtzelaw leads her team of
dancers.

BACK *Griffins* STAGE

We looked around to try and see what our Griffins do Backstage. We found Griffin hanging in the rafters Chad, Ron, Doug, and Kevin polishing up on their latest script Brain scheming for his next prank Doug putting the finishing touches on his new comedy act Lara and Andrea in their imi-

tations of Madonna and Boy George Michael and Naimon just finishing lunch and heading out to the coming attractions Sammy and his sidekick just standing around talking after a long day at the office. Work and play keep our stars shining even backstage.

Season Premiere HOMECOMING '85-'86

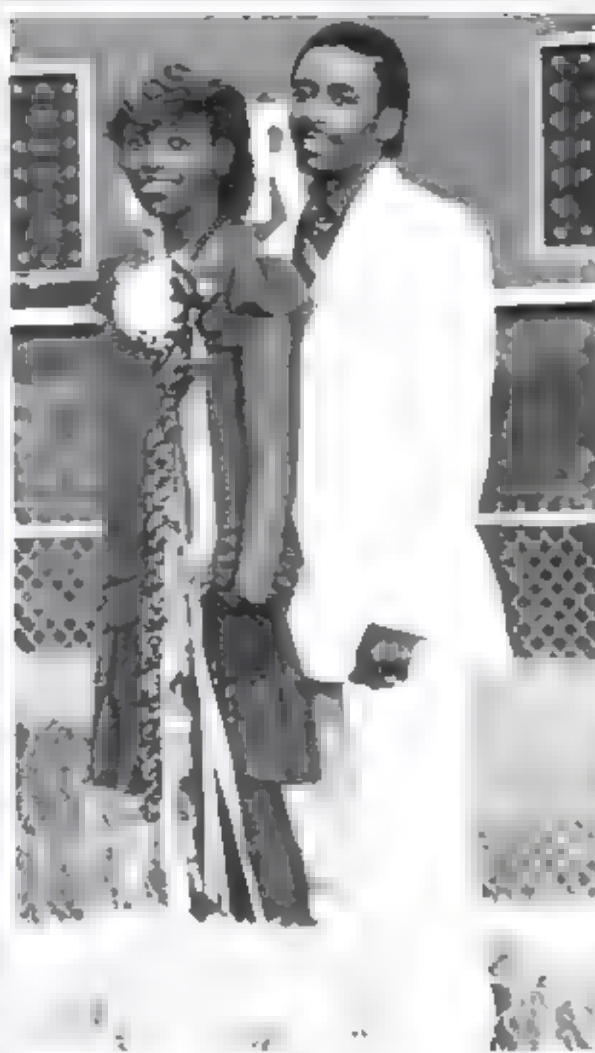

North DeSoto High School's first football homecoming ceremony on September 21, 1985 was the dawn of a new tradition. Each young lady in the court was selected by her class as the one being best qualified to fill the position of maid. A senior was selected to represent N.D.H.S. as the very first football homecoming queen. This was also the first year that the ladies of the court asked a family member to escort them. All the girls showed up at 6.30 p.m. with smiles, escorts, and lovely at-

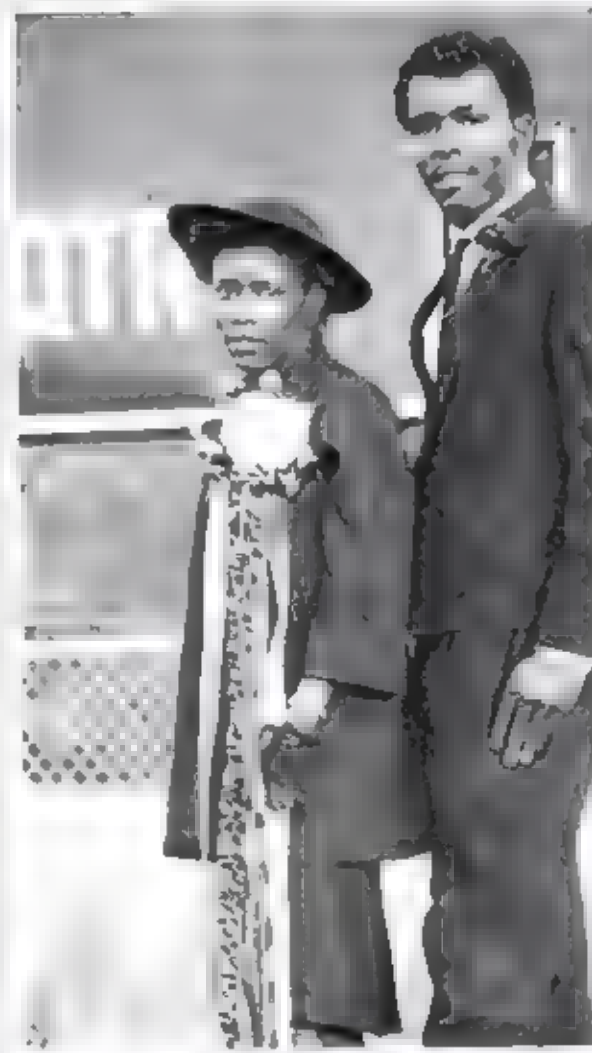

tire, some even topped off with a hat to match. Mr. Bryant and Mr. Robison presented our queen with a bouquet of red roses and a stunning crown. The court was then escorted off the field to their seats on the sidelines. Overall, the ceremony went wonderfully. Our special thanks to Mrs. Rabalais for her efforts toward a very successful 1985-86 homecoming. To top off this new tradition in style, the Griffins sparkled with the thrill of victory over the Shreveport Country Day Eagles 24-14.

Yes, it is always true.

Who invented
cheese balls
and why?

Are there any people
who have never eaten
library paste?

It's acceptable to lick your fingers when eating fried chicken, but
what about someone else's?

Has anyone under the age of 16 ever eaten brussel sprouts voluntarily?

The person who invented
cheese balls probably enjoyed
the sport and tried to find
something easier than a Dorito
to throw up.

Is this always true?
been ..

"Don't touch that, you never know where it's
been .."

Is it true what they say
about black jelly beans?

**SHOULD YOU EAT
THAT LITTLE
SPRIG OF
PARSLEY THEY
SERVE IN
RESTAURANTS
OR NOT?**

Find the answer to
this and many other
puzzling questions
in ...

The answer to this question has yet to be
scientifically proved. We will inform you as
soon as the tests are completed.

Most people are forced to eat these, some people really
do like them. Can you imagine?

Do space aliens
have navel line?

If we only had six fingers, would the metric system be based on six?

Who invented the "thick stuff" they use in all cafeterias?

It is really not polite to lick someone else's fingers in public, but in the privacy of your own home, it is totally acceptable

We have searched the world over for the inventor of this "stuff", but obviously he or she has eaten in a cafeteria at least once and did not live to tell about it.

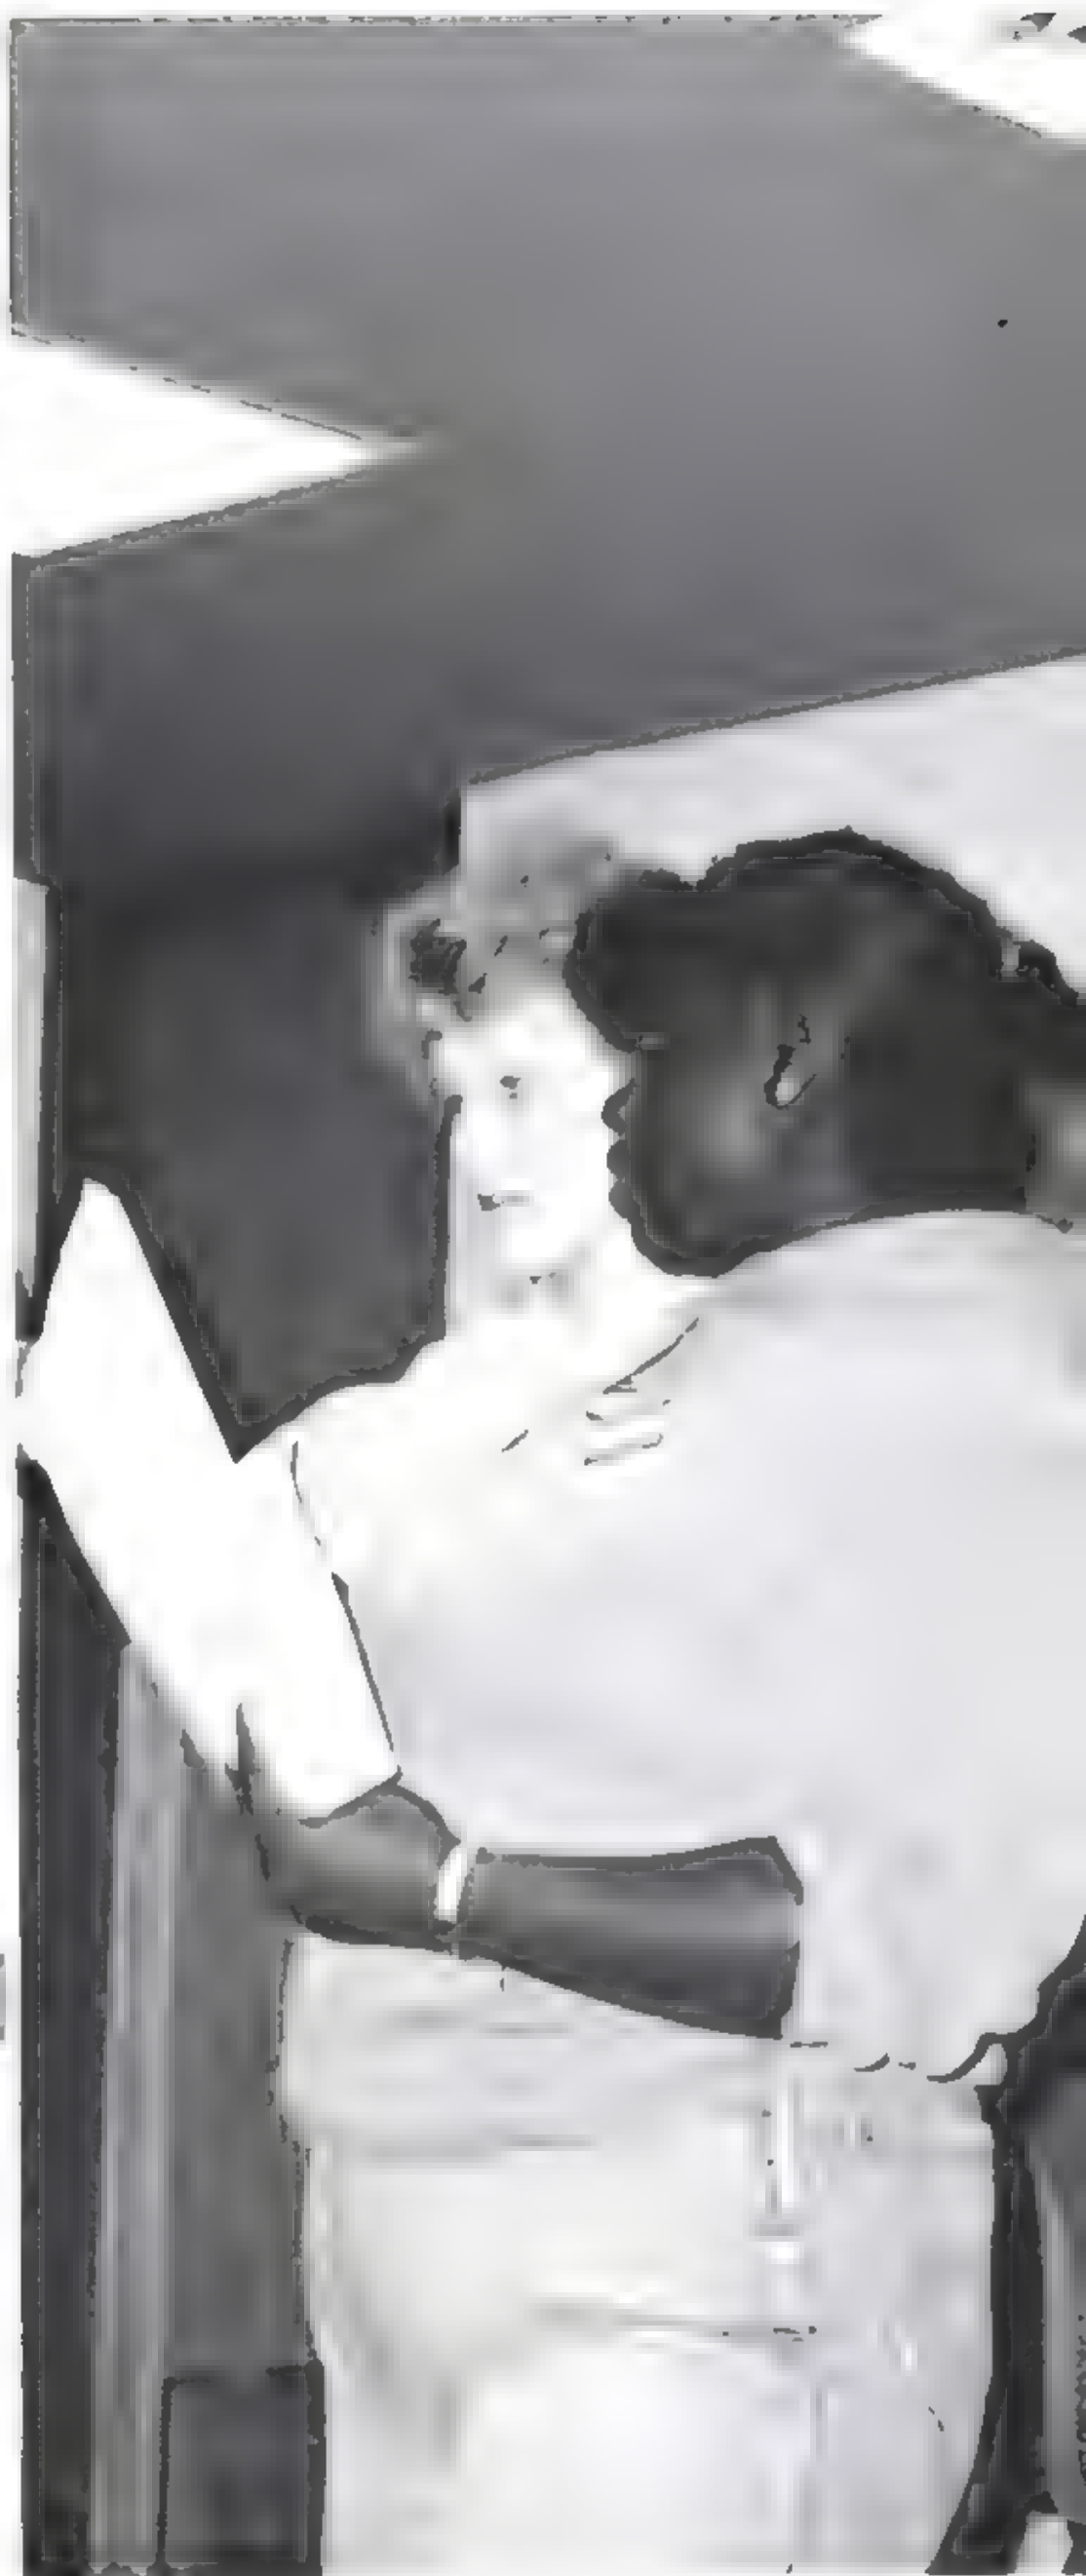

I don't really know if it is true, so to save yourself possible embarrassment, don't eat them

A recent NDHS survey show that nearly 2 out of every 5 people have eaten library paste at least once in their life

SUPER SELLERS

SHERRY HINES and KAREN HODGES each sold over \$400 in ads; more than any other yearbook staffers. All totaled, the staff sold over \$3,000 in advertising.

Why not tell the advertisers and the yearbook staff, "Thank You" for reducing the cost of your yearbook? Wanda Berry, Sponsor.

WHAT'S HAPPENING

The River Rose, Shreveport's own restaurant on the river, held its Grand Opening on November 23, 1984.

The River Rose was originally built in Freeport, Florida and transported to Shreveport. By the boat's first anniversary, it had already entertained 83,000 passengers.

Halley's Comet is named after Royal Astronomer Edmund Halley who observed it in 1682. Every 76 years or so it can be seen on a clear night with a fairly decent telescope. The last sighting was in 1910. Halley's is the brightest, most famous periodic, or "repeater" comet. After May 1986, Halley's heads for deep space not to be seen again (at least not by human eyes) until 2061.

Governor Edwin W. Edwards is on trial. A nursing

home project and other debts are in question. At the present time, Edwards is testifying in his own defense. So far, it seems to be going his way. Will Louisiana's Governor be convicted?

Griffins

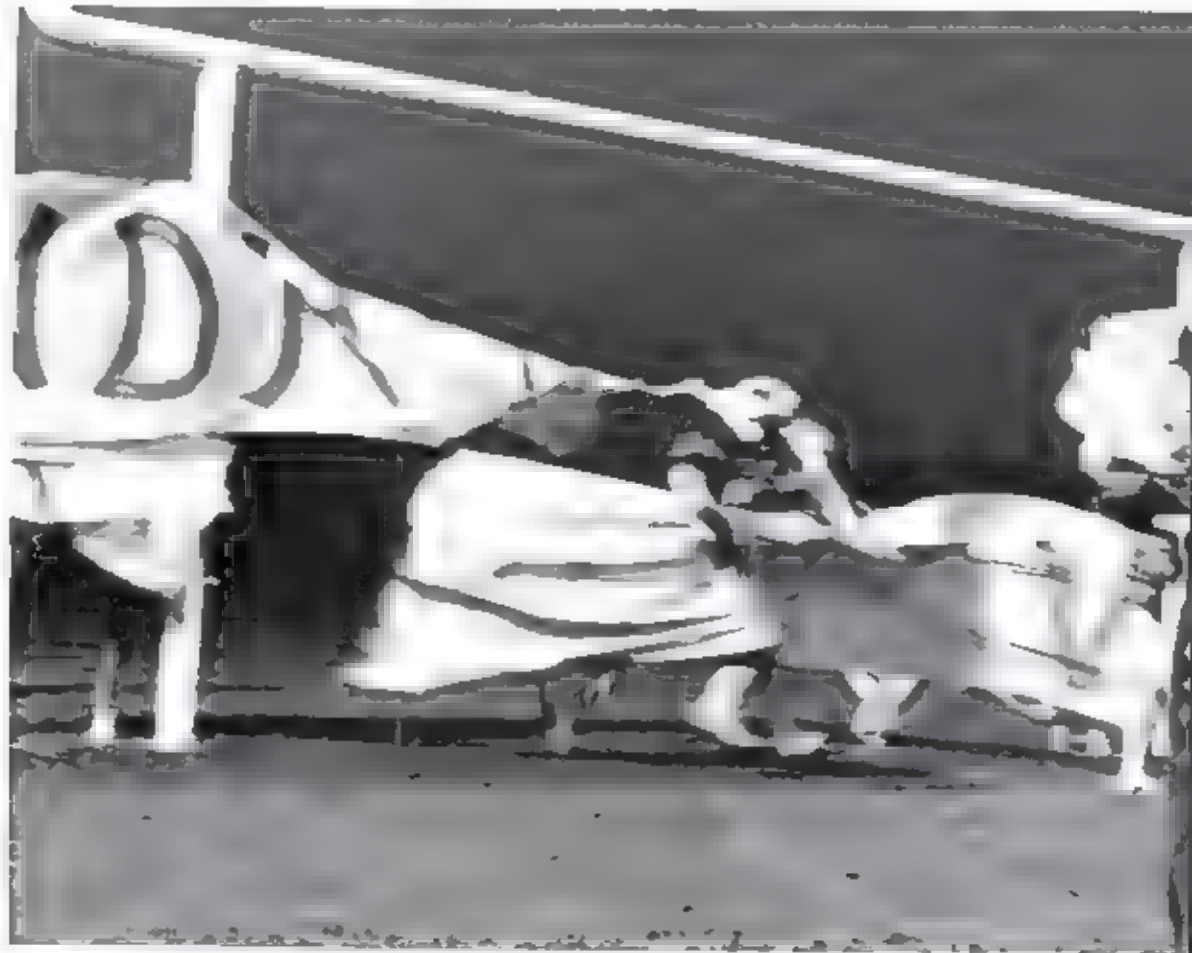

In the fall of 1985, the N.D.H. Griffins entered their new season with pride, confidence, and determination.

The time had come to show off all the hard work of practice and training they had experienced the previous year.

Although, after their first game the Griffins could not put a check in the win column. The frustrated team held their heads high and emerged from the second game victorious. The Griffin team held together under pressure and did well against such tough competition as Falcons, Eagles, and the Panthers.

The future grows brighter for our Griffin team as they continue to gain experience. They have the potential, and with more support, the Griffin team is sure to shine in years to come. The North DeSoto community applauds our Griffin team and will support them every step of the way.

PROM NIGHT AT NDHS

A white gazebo trimmed
in red,
Dreams drifting through
a student's head.

Crepe paper streamers
throughout the gym,
Red and white balloons
give it a trim.

Gentlemen in ruffled
shirts and tuxedos,
Young ladies in frills,
and pearls, and bows.

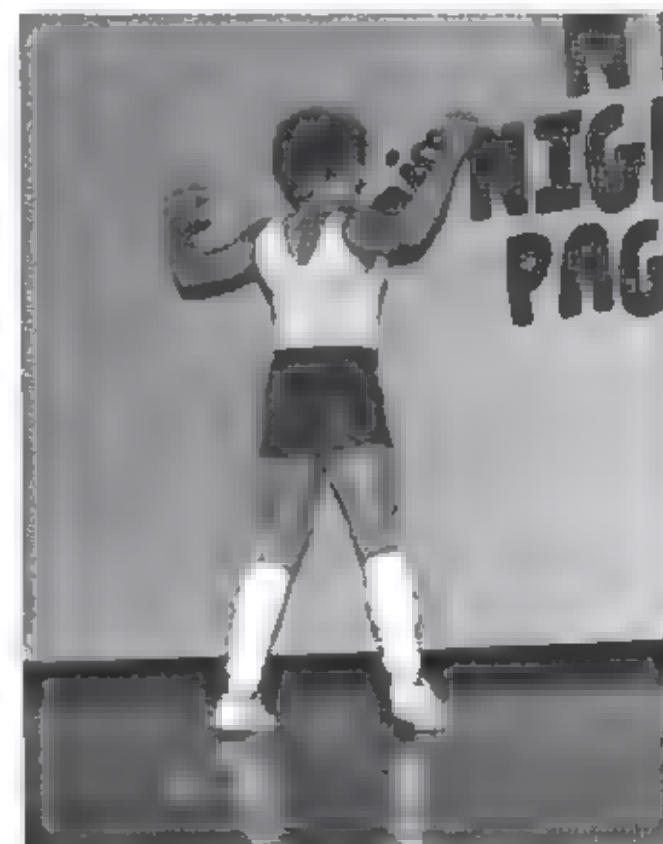

Thim prom would have
been perfect in spirit,
and in tone,
If only the photographer
had shown.

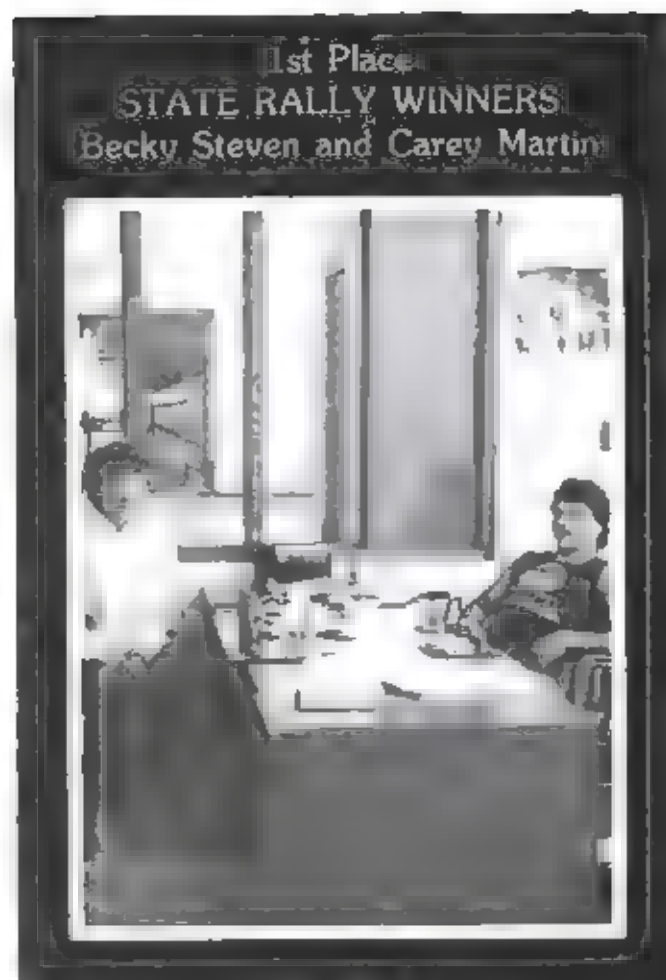

The 1985 86 Miss Nightmare Pageant was a hilarious mixture of beauty and talent. Talents varied from tricycle racing to breakdancing, and also a 'not so graceful' aerobics routine. Most of the contestants were good sports, although some felt they were definitely destined to win. Crowned was Miss Joni (John) Witham, with her handsome escort Herb (Holly) List.

These students all took tests at
DISTRICT RALLY

NDHS students live it up in Baton Rouge!

Fourteen of the 54 students taking the District Rally tests scored high enough to participate in the State tests in Baton Rouge April 19, 1986. Traveling via Ford van the group enjoyed a leisurely lunch in an Alexandria park.

After settling in at Holiday Inn they toured LSU campus where Sherrye, Rita, Wanda, and Deloris learned how to play soccer. Compliments of Mr Bryant, the group enjoyed a seafood dinner at Mike Anderson's where Carey devoured an enormous platter of boiled crawfish with a little help from everyone else.

Before retiring, some took a quick swim in the hotel's pool where they met students from other schools participating in the State Rally.

Early the next morning, the group breakfasted at McDonalds, returned to the LSU campus, and took their state exams now, for the long journey home!

“That’s What F

“And I never thought I’d
feel this way
And as far as I can say
I’m glad I got the chance to say
That I do believe
I love you,
And if I should ever go away
Well then, close your eyes and try
to feel the way we do today
And if you can remember

Keep Smiling! Keep Shining!
Knowing you can always

Friends Are For"

REMEMBER . . .

A human chain of blue satin stretched through the hall and into the gymnasium. The band began that familiar tune and the senior class filed into the auditorium for the last time as students of North DeSoto High. The smiles on each face fooled no one, for their eyes showed their fear, their anxiety, their eagerness, their happiness, but most of all their sadness of having to say goodbye; goodbye to the friends, the teachers, the classmates, the voices in the hall, the laughter in the classrooms, the relief of passing a test, and the fear of being tardy. Their sadness has a reason; as the end nears they realize too late that their high school days can only be experienced once, and that they truly are some of the best times in life.

It's expected on graduation to think of the future, of the new life that's just beginning. But most of these students' thoughts are on the past as they remember the good times and the bad, the happy times and the sad, the ups and downs of their high school days.

The best of luck is wished to every graduating senior of 1986. May they follow whatever dreams they choose. We have only one favor to ask them: that every now and then, they take a few minutes out and

For good times and for bad times,
I'll be on your side forever more,
That's what friends are for!

. . . Remember

Well, you came and opened me,
and now there's so much more
I see, and so by the way
I thank you
And then, for the times
when we're apart
well then, close your eyes
these words are coming
from my heart
and then you can
remember

Keep Smiling!

Keep Shining!

Knowing you can always count on me, for sure.

That's what Friends Are For!"

LEADING

Wow! It's the end of Theater of the Griffins

As Editor, I along with the Medias Res staff have enjoyed the hard work of putting down in print and pictures the special moments of NDHS. I have really enjoyed the experience of being Editor. A special thanks to Mrs. Berry and the Medias Res staff for their cooperation. Times were tough but together we pulled it off, with Stephanie's moods, Amy's broken foot, Karen's creative eating habits, Leah's computers, Bridger's gossip, Paula's mass confusion, Mia's attitude, Tanya's jokes, and Sherrye's guidance and leadership.

All things must come to an end, and so must this presentation of "The Theater of the Griffins". Capturing the NDHS stars was a real challenge, and the Medias Res Staff has come through with flying colors. I know these brightly shining stars will continue to glow. The 1986 Medias Res Staff thinks the world of this presentation.

Enjoy it, it's GREAT!!!!

Seven Heroes

We, the Medias Res staff, dedicate the 1985-86 year book to the seven brave astronauts who were killed in the shuttle tragedy on Tuesday, January 28, 1986. As our President states, "We mourn seven heroes." Our nation and our school felt the grief of these deaths, as one of the astronauts was a teacher, Christa McAuliffe. We not only mourn the death of Mrs. McAuliffe but the deaths of the other six astronauts, Frances Scobee, Michael Smith, Ellison S. Onizuka, Ronald McNair, Gregory B. Jarvis and Judith A. Resnik. These deaths have created a challenge for the students at North DeSoto and around the nation to improve our space technology and prevent accidents of this kind in the future.
